Alumni and Parent Travel Program

Our October 2024 Travel Program trip to Tuscany and the Italian Riviera was a fantastic journey through Italy's picturesque landscapes, rich history, and culinary delights. Alumni enjoyed unforgettable experiences, from vineyard tours to exploring charming coastal villages.

"Carl and I thoroughly enjoyed our trip to Tuscany and the Italian Riviera offered by the Connecticut College Alumni Office in conjunction with Collette Tours. Our guide to Cinque Terre was with us for the entire day as we travelled by ferry to see the whole area and visit two of the villages, returning to La Spezia by train. This day was definitely the highlight of the trip for us."
